## MUNICIPAL ORDINANCES, RULES, AND REGULATIONS PERTAINING TO PUBLIC HYGIENE.

[Adopted since July 1, 1911.]

### OIL CITY, PA.

#### STABLES AND MANURE.

RULE 7. The owner or owners of all stables and stable yards, chicken coops and chicken yards shall keep said places in a clean and sanitary condition at all times and in such condition as not to cause unnecessary or offensive odors. Stable and chicken yards shall be kept properly drained.

RULE 8. Between May 1 and November 1 of each and every year not more than one wagonload of cow or horse manure at any private stable and not more than three loads at any livery or sale stable shall be permitted to accumulate in or near the same unless by written permission of the board of health, and such permission may be revoked upon complaint of said accumulation of manure causing an annoying or unsanitary condition to exist.

RULE 9. At every stable, public or private, the owners of the animals or the keepers thereof shall have constructed a water-tight box of the necessary height wherein to throw said manure, and not permit it to be scattered around in any lot, street, or alley. Unless such proper box or receptacle is used it is forbidden to allow any manure to accumulate in or around any public or private stable or barn.

RULE 10. When it is necessary or desirable to remove manure to or from any premises it shall be done in such a manner that none of it shall drop or fall or be left in or on any lot, street, alley, lane, road, or other passageway with the limits of the city.

[Regulations board of health, adopted Oct. 18, 1911.]

### ORANGE, N. J.

#### COMMUNICABLE DISEASES—REPORTS OF CASES TO BE MADE.

16. Section 73 of the ordinance to which this ordinance is a supplement is hereby amended to read as follows:

“73. Every physician shall report in writing to the board of health the name of every patient he shall find to be affected with cholera, smallpox (including varioloid), chicken pox, diphtheria, membranous croup, typhus fever, typhoid fever, scarlet fever, yellow fever, measles, whooping cough, leprosy, plague, trichinosis, infantile paralysis, epidemic cerebro spinal meningitis, or any other contagious or infectious disease that may be hereafter publicly declared by the State board of health to be dangerous to the public health, together with the precise locality where such patient may be found; and such report shall be made within 12 hours after the first visit of such physician to such person.

“Any person or persons failing to comply with, violating, or offending against any of the provisions of this section shall forfeit and pay a penalty of \$50.”

[Ordinance, board of health, adopted Oct. 2, 1911, as a supplement to the sanitary and plumbing code adopted Dec. 1, 1900.]

### SANDUSKY, OHIO.

#### GARBAGE—PREPARATION AND COLLECTION.

SECTION 1. That all “garbage” or “offal” and all substances embraced within the meaning of said terms as defined in section 97 of the revised and codified ordinances of the city of Sandusky, passed April 4, 1904, shall be drained of all water or fluid, and
